Devon Funds' parent company awarded Toitū Enviromark Gold Certification

Investment Services Group (ISG), parent company to Devon Funds, has been awarded Toitū Enviromark Gold Certification.

This achievement recognises the significant steps Devon Funds has taken to ensure their environmental impact is managed in a safe, sustainable and regenerative way.

As part of their ongoing commitment to caring for the environment, Devon's Sustainability Fund only invests in New Zealand and Australian businesses that demonstrate credible strategies to improve their outcomes with respect to environmental, social and governance factors.

Devon Funds Managing Director, Slade Robertson, said "The Toitū Enviromark Gold Certification cements our ongoing commitment to conducting business in a sustainable way. Our Sustainability Fund contributes to ensuring the best environmental outcomes for New Zealand, and we are proud to have been awarded gold certification."
